Sir,

I am directed to acknowledge receipt of your letter No 1936 of the 1st March last, and to say that Government consider it desirable that all such vacancies existing in the Mysore Infantry should be filled by promoting those already serving in the ranks.

I am further directed to add that if tuition in drill etc is considered necessary for any portion of the force, Government has no objection to an application being made by you for the temporary loan of a Drill Instructor from the Bangalore Garrison, but does not approve of enlisting in the force Pensioners from the British Service.
